

*An Aboriginal style song map to coffee!!*

*To the tune of WALTZING MATILDA*

Turn around and walk straight out through the door,  
Jump on your bike and pedal to the road,  
Turn right, right again, straight on for a mile or so,  
Come to Route 1 and hop off like a toad.

Look to the sky, Look to the sky,  
Off to the north, a Dunkin' Donuts you'll see.  
Watch out for the traffic quickly, quickly, quickly, quickly now,  
We can get a donut or some coffee or some tea.
